

DEA MIAMI

The Premier Prevention Association

SOCIAL MEDIA PREVENTION

July 31, 2025 | 10:30am - 2:30pm

.....

Join CADCA and DEA Miami for a dynamic training session designed to equip educators, prevention specialists, and community leaders with the tools and strategies to harness the power of social media for substance misuse prevention among youth.

Participants will explore innovative, low-cost methods to create compelling digital campaigns that resonate with young audiences and foster youth-led advocacy. A key focus will be on empowering youth to take the lead in content creation, while adults learn how to support and mentor students in using social media responsibly and effectively within school and community settings.
