THE RISKS ARE REAL: The Truth About Fentanyl & Fake Pills

A National Virtual School Assembly

Broadcast LIVE from Nashville, TN – site of the Rx Summit!

on **TUESDAY, APRIL 7, 2026** at **11:00 AM (CDT)**

9:00 AM (PDT); 10:00 AM (MDT); 12:00 PM (EDT)

Attention Middle & High School Educators!

Join classrooms nationwide for a **powerful, FREE, one-hour virtual program** designed to educate students about the dangers of illicit fentanyl and fake pills – and equip them with the knowledge to make safe, informed choices. This live program brings together:

- **Medical Experts & Prevention Specialists**
- **Youth Leaders & Student Reporters** from across the U.S.
- **Live Kahoot! challenges with prizes.**
- **Emerging Threats Briefing** on fentanyl, xylazine, nitazenes, and more.

Broadcast LIVE from a studio audience of Nashville, TN students, this virtual assembly is designed to be engaging, interactive, and classroom-ready.

Why Your School Should Participate:

- Helps students understand the real risks of fake pills without stigma.
- Addresses mental health support and prevention strategies.
- Offers practical tools students can use to protect themselves and support peers.
- Provides turnkey educational content aligned with national prevention goals.
