

# The Drug Enforcement Administration and The Orange County Department of Education

## Addressing Co-Occurring Mental Health and Substance Use Issues

**July 22, 2026 • 9:30–11:00 a.m.**

**Virtual on Zoom**

Join us at the second session in our four-part workshop series designed to inform, connect and engage. The training will be facilitated by the Partnership to End Addiction.

- ✓ Prevalence and trends of youth substance use, mental health issues, and the combination of both (co-occurring disorders)
- ✓ How co-occurring disorders may develop, and what the risk and protective factors are
- ✓ What the current treatment landscape looks like and what might be barriers to effective treatment
- ✓ How caregivers, teachers, and other professionals can prevent and address co-occurring disorders

### **Who Should Attend:**

Educators and School Leaders  
Community-Based Organizations  
Prevention and Intervention Specialists  
Parents and Caregivers

**Register at no cost:**
